QuickPhone — Level 1 DFD: Process 5.0 Send Completion Notice (physical)

From UC-05 Send Repair Completion Email, FR12 and NFR05. Staff-sent email through the store's own email account.

Business rules (client-confirmed): email only, for completed repairs only, from the store's account (STORE.EmailAddress). Only Owner, Manager and Front Desk may send; a Technician is refused (NFR05).
The email uses one fixed format (the Sprint 2 EMAIL_TEMPLATE entity was removed as spurious). The server re-checks the role on 5.1 and 5.4.
